### **DETAILED ACTION**

**Claims 1-2, 4-6, 12, 14, 17, and 19-20 are presented for examination.**

Applicant's Amendment filed October 18, 2007 has been received and entered into the present application. Claims 1-2, 4-6, 12, 14, 17, and 19-20 are pending and are herein examined on the merits.

Applicant's arguments, filed October 18, 2007, have been fully considered. Rejections not reiterated from previous Office Actions are hereby withdrawn. The following rejections are either reiterated or newly applied. They constitute the complete set of rejections presently being applied to the instant application.

### ***Claim Rejections - 35 USC § 112***

The following is a quotation of the first paragraph of 35 U.S.C. 112:

The specification shall contain a written description of the invention, and of the manner and process of making and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the same and shall set forth the best mode contemplated by the inventor of carrying out his invention.

Claims 1-2, 4-6, 12, 17, and 19-20 are rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. The claim(s) contains subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the

Art Unit: 1614

application was filed, had possession of the claimed invention. Applicant adds new limitations to the claims that raise the issue of new matter. New matter issues are raised when Applicant includes limitations in the claims that he/she clearly did not have possession of at the time of invention. The silence of the disclosure regarding the composition comprising *Ligusticum wallichii*, *Salvia miltiorrhiza*, *Angelica sinensis* is not sufficient to now claim the exclusion of such a step because nowhere in the disclosure has Applicant discussed the composition comprises the herbal extracts of *Ligusticum wallichii*, *Salvia miltiorrhiza*, *Angelica sinensis* in the context of the claimed composition.

### ***Conclusion***

Claim 14 is allowable.
